**Sponsor the Roosevelt Golf Association!!**

Dear Potential Sponsor,

Roosevelt Golf Association (RGA) is a 501(3) (c) corporation. We are a civic group of men and women promoting and playing the game of golf with an emphasis on introducing youth to the game regardless of race, creed or sexual orientation, and to solicit donations, to provide golf training and educational scholarships. We are continually striving to offer the best training and opportunities that are not readily available in this community. In order to succeed in our endeavor of making golf available to everyone in this community, we need the support of businesses like yours. Our goal is to promote the game of golf, which combines skills that are valuable in all walks of life.

RGA began offering golf to the community several years ago. Since this time we have introduced the game of golf to children and adults, which teaches patience, precision and stamina. The game also builds honor, discipline and respect. We have also been able to offer scholarships to students. In order to be successful in our goals and mission, RGA is looking for financial support from individuals and businesses to cover many costs associated with our mission.

These costs include maintaining our facility, purchasing equipment, hiring professionals, hosting tournaments and games, as well as providing educational opportunities to children in the community. We depend on the kindness of donors like you, as well as fundraisers and personal donations to relieve many of the expenses to offer these services. We are hoping to develop long-term relationships with companies interested in sponsoring RGA. In return for your support, RGA will support your business by listing you on our webpage, event flyers and banners, as well as distributing promotional materials. We ask that you support our mission and help realize our goal of being a pioneer among the community. Thank you for any consideration given to this letter.

Sincerely written,
